

# Meal Counts Made Easy

## For Statewide Free Meal Initiatives

- Responsive design
- Supports multiple programs
- Records counts & food waste
- Digital clicker for smart phones
- Scans & sends tally sheets
- Reports & exports

**PCSFeedTheKids** is a stream-lined meal count solution, requiring little training, providing a convenient tool for keeping track of counts at cafeteria sites or alternate serving locations. Setup is quick and easy!

**Entering/Submitting Counts and Tally Sheets** Nutrition staff enter meal counts for one or multiple sites from their phone, tablet or computer, snap a picture or scan the tally sheet, and upload it with their submission.

**Replace mechanical clickers with the Quicker-Clicker Digital Meal Counter**

**Responsive formatting for smart phones and tablets.**

### Central Meal Count Submissions

Easy entry of multiple sites on one form is provided along with the ability to backdate entries as needed.
